

Starlinger is a pioneer for machines and process technology in the international circular economy for plastic packaging solutions. We are convinced of our mission, we accept professional and personal challenges and believe in the quality, necessity and positive impact of our work. Our innovative achievements give us security and stability for further great ideas and the opportunity to make our company fit for the future.

To strengthen our team in Vienna we are looking for

Junior Controller (m/f/d)

Your Contribution

You would like to explain the world with numbers and enter the fascinating world of results analysis, forecasts and budgets. Preparing the decision-making basis for further growth in an expanding market for a global market leader and hidden champion makes you proud. Then you

That's what your role is all about

- With your expertise, you will quickly become involved in our operational controlling activities
- You will ensure the quality of our reports through adequate data maintenance and cleansing, thereby contributing significantly to decision-making and planning reliability.
- By participating in monthly and quarterly reports as well as preparing forecasts and budgets, you will learn about the financial mechanisms of our business.

are the perfect addition to our team!

- By supporting our investment controlling in reporting and budgeting, you will gain initial insights into our international business.
- You are not satisfied with the status quo and actively contribute to the further development of reporting and the optimization of internal processes.

You can utilise these skills

- A completed business education (degree of university of applied sciences in business administration)
- Initial experience in controlling from a medium-sized or larger company (ideally with own production)
- Very good MS Office skills (Excel, Access), ideally practical experience with ERP systems and BI tools.
- Your analytical and structured way of working provides a clear insight into the economic health of the company.
- You actively approach others in order to relate figures, data and facts to the everyday reality of our stakeholders and learn new things.
- You have very good German language skills at C level and your good written and spoken English enables you to hold qualified technical discussions with our foreign subsidiaries.

We can prepare this offer for you

- A varied position in an international company, in an interesting, rapidly growing and innovative field
- A committed and dynamic team
- Company events
- Participation in the company's success
- Home office option (currently one day/week)
- Flexible working hours

For legal reasons, we would like to point out that the collective agreement minimum salary is approx. Euro 3.400,-- gross/month. Based on qualifications and existing previous experience we will pay on market level.

Become part of our team and shape the future together with us!
