

Starlinger

**OUR MACHINES
MAKE THE WORLD
GO ROUND.**

BEWIRB DICH JETZT!

Starlinger is a pioneer for machines and process technology in the international circular economy for plastic packaging solutions. We are convinced of our mission, we accept professional and personal challenges and believe in the quality, necessity and positive impact of our work. Our innovative achievements give us security and stability for further great ideas and the opportunity to make our company fit for the future.

To strengthen our team in Weissenbach an der Triesting we are looking for

Area Service Manager (m/w/d)

Your Contribution

Technically skilled and highly organized, you are eager to take on the role of a dedicated point of contact for a defined regional portfolio, where you will significantly shape service quality and customer satisfaction. Your flexible availability—both on-site and remote—ensures seamless

That's what your role is all about

- You implement service concepts within your area of responsibility and ensure efficient installation planning for our international customers.
- You plan and coordinate technician deployments, allocate resources effectively, and optimize utilization to meet operational goals.
- As the central point of contact for your region, you assume technical and organizational responsibility for service delivery and customer support.

project execution and the highest standards of service excellence.

- You maintain close relationships with customers, conducting regular visits to ensure satisfaction and address needs.
- Representing our company at international trade fairs, you present our solutions and continuously expand your professional network.
- You develop solution strategies and provide expert support to our customers, with up to 25% travel to ensure targeted on-site presence and service excellence.

You can utilise these skills

- You have completed technical training in metalworking, mechanical engineering, mechatronics, or electrical engineering.
- You bring 3–5 years of professional experience, ideally in commissioning or assembly.
- Your German and English skills are proficient, and additional languages are a welcome asset.
- You are highly skilled in using MS Office as a matter of course.
- Your excellent communication skills enable you to work collaboratively and solution-oriented with both teams and customers.
- You combine a sense of adventure with resilience, allowing you to perform professionally even in demanding environments.

We can prepare this offer for you

- A varied and responsible position in an international company, in an interesting, rapidly growing and innovative field
- A committed and dynamic team
- Company events
- Participation in the company's success
- Home office option (currently one day/week)
- Flexible working hours

For legal reasons, we would like to point out that the collective agreement minimum salary is Euro 3.458,06 gross/month. Based on qualifications and existing previous experience we will pay on market level.

Become part of our team and shape the future together with us!
