

Starlinger is a pioneer for machines and process technology in the international circular economy for plastic packaging solutions. We are convinced of our mission, we accept professional and personal challenges and believe in the quality, necessity and positive impact of our work. Our innovative achievements give us security and stability for further great ideas and the opportunity to make our company fit for the future.

To strengthen our team in Weissenbach an der Triesting we are looking for

Fertigungstechnologe (m/w/d) für den Bereich Zerspanung

Your Contribution

Behind every precise component is a plan that leaves no questions unanswered. As our production planner, you set the pace for our machining operations: You balance order intake and capacity, create the roadmap for our production

That's what your role is all about

- You will ensure the optimal utilisation of our machining capacity. In doing so, you will work with the ERP-ABAS/FELIOS systems.
- You will be responsible for creating detailed work plans and production documents as well as for preliminary cost calculations.

and ensure that quality and safety are never left to chance.

- You will monitor our high quality standards and further develop production-specific quality management systems.
- You will actively support compliance with and implementation of safety-related requirements.

You can utilise these skills

- You have completed training as a master craftsman (in machining, mechanical-engineering or toolmaking) or have a technical college degree (preferably in production engineering).
- You have both theoretical and practical knowledge of the fundamentals of quality management and safety engineering.
- You work independently and show a high degree of initiatives.
- You have very good German language skills.

We can prepare this offer for you

- A varied position in an international company, in an interesting, rapidly growing and innovative field
- A committed and dynamic team
- Company events
- Participation in the company's success

For legal reasons, we would like to point out that the collective agreement minimum salary is approx. Euro 3.800,-- gross/month. Based on qualifications and existing previous experience we will pay on market level.

Become part of our team and shape the future together with us!
