To strengthen our team in Vienna we are looking for

Supervisor Controlling Team (m/f/d)

Your Contribution

Numbers are the language of your success. Financial figures are always linked to the reality of the working world in a manufacturing company. As a partner to our management, you provide robust data for financial decisions that optimize performance and set the course for sustainable growth. Step into an environment full of

That's what your role is all about

- You will manage the budgeting process and the preparation of forecast calculations, together with the responsible persons in the company.
- You will monitor the company's performance through continuous controlling and prepare meaningful reports and variance analyses for the management to ensure transparency and decision-making.
- As part of cost accounting, you will define the calculation schemes for production costs, hourly rates,

opportunities where your analytical skills, leadership and strategic vision will make the difference and join our dynamic finance team in Vienna.

etc. as the basis for our pricing.

- Drawing on your expertise, you will work with the relevant managers to establish meaningful KPI's for performance management and further develop the existing controlling tools.
- You will motivate, develop and lead a team of financial experts to achieve performance and promote a culture of collaboration.

You can utilise these skills

- You have a completed higher business education preferably business university/MBA.
- Ideally, you also have a technical background and/or experience in manufacturing.
- You already have some experience in leading a team or project groups.
- Despite your precise and analytical approach, you always have a holistic view of the company.
- Your proficiency in German and English as well as your excellent communication skills make you a respected contact person for the specialist departments.

We can prepare this offer for you

- An exciting challenge in an international environment.
- A committed and dynamic team
- Company events
- Participation in the company's success
- Home office option (currently on day/week) and flexible working hours
- Comprehensive training, if necessary attendance of required specialist courses

The salary for this position starts at approx. Euro 4.500,-- gross per month, depending on previous experience and qualifications.
